“*Learning By Doing*”

**Vocabulary Tests
&
Sentences Tests**

Level 5

Notes for Teachers

- There are 20 level 5 “*vocabulary tests*” on pages 2-21 below.
- There are 20 level 5 “*sentences tests*” on pages 22-41 below.

- The “*vocabulary tests*” are designed to
 - take less than 15 minutes
 - remind learners of the importance of vocabulary development
 - make learners aware of the usefulness of “*graded word lists*”
 - emphasise the difference between knowing the translations of words – and being able to use them.
 - help learners to think in the foreign language.
 - encourage regular use of organized vocabulary books for vocabulary development

- The “*sentences tests*” are also designed to emphasise the above ... and further
 - help learners to get valuable writing practice
 - motivate learners to use L1 dictionaries
 - identify grammatical areas that need attention.

- All the tests can be used within the classroom or for self-study purposes.

- The blank “*sentences test*” on page 42 below is available to copy and use for your own chosen words.

- This 50 word vocabulary test is based on the vocabulary lists which are freely available at the wordsurfing website.
- Try to show
 - your **ability to use** each word by thinking of “connecting words” or a short sentence and
 - your **understanding** of each word by writing its translation.
- Your score.
 - 48 – 50 correct Congratulations.
 - 26 – 47 correct Keep developing your vocabulary - and try the next test at this level soon.
 - 0 – 25 correct Test yourself at level 4 next time.
- Keep all your tests in a small file – and see how quickly you are improving.
